Programme of work for 2024

• Strategic planning aligned with the 2030 Agenda for Sustainable Development and the Sustainable Development Goals (SDGs), and with the main global and regional development agendas.

• Strategic priorities focused on a transformative recovery in line with the principle of leaving no one behind.

• Mainstreaming of the gender perspective, sustainability and disability inclusion.
Main elements of the ECLAC programme of work for 2024

- Structure of 13 interdependent and complementary subprogrammes divided into five thematic groups and implemented through a comprehensive and multidisciplinary approach.

- Strategic priorities taking into account the problems posed by the pandemic along with the new and complex challenges of the current global context.

- In line with the Secretary-General’s reform of the United Nations development system: deepening of coordination and collaboration with United Nations agencies, funds and programmes in the region through the Regional Collaborative Platform for Latin America and the Caribbean, and with resident coordinators and country teams, among others.

Thirty-ninth session of ECLAC
Adoption of the draft programme of work

• Adoption of the **draft programme of work of ECLAC for 2024** (strategic planning) by the Session of the Commission.

• Once it has been adopted by the member States of ECLAC, this draft programme of work will serve as the basis for the preparation of the **proposed programme budget for 2024**, which will be submitted for review by the relevant bodies in 2023 and for adoption by the General Assembly in 2023.
